Product information and application use

The Stainless-steel Manifold Mounting Bracket is used to mount Uponor Stainless-steel Manifolds. Brackets are made of durable metal and are offset front-to-back and side-to-side for ease of installation. Two brackets are required for each manifold location.

Installation

Attach the Uponor Stainless-steel Manifold to the mounting bracket. Attach the manifold and bracket assembly to the desired mounting surface. Use only Uponor Stainless-steel Manifolds. For further information, refer to the Uponor Stainless-steel Manifold Installation Guide.

Related applications

- Radiant Heating and Cooling Systems
- Permafrost Protection Systems
- Turf Conditioning Systems
- AquaSAFE™ Fire Safety Systems
