

GF Instaflex coupler electrofusion d16

1152289

- Suitable as sliding coupling
- PN 16 at 20°C

About GF Instaflex coupler electrofusion

Specification

- The system is subject to constant inspection by internal and external bodies.
- These inspections range from quality assurance during production to ISO certification
- for environmental and process safety. The INSTAFLEX system meets all the essential
- requirements for building technology applications and is subject to constant monitoring by the
- licensing offices for drinking water, heating and compressed air installations on land and sea.

Application

Instaflex offers complete solutions for single-family homes, multi-family residential buildings, healthcare, education, industrial, or commercial building

Application areas

- hot & cold water, compressed air, cooling systems
- Surface and flush-mounted pipelines

Certification

- WRAS material approval (BS6920)
