Product information and application use

The MILWAUKEE® M18 FUEL™ 2” ProPEX® Expander w/ ONE-KEY™ is the fastest, lightest, and most compact way to install 2” ProPEX®. The auto-rotating head mechanism provides uniform expansions for the most consistent installations. The pipe size selector switch optimizes the expansion speed for up to 3X faster connections. The new dedicated 2” ProPEX® Expander Head’s integrated cone design reduces the travel length of the expander’s expansion cone, allowing for the most compact 2” solution. The D-Handle design offers balance and control for one-handed connections. All-metal gears and an integrated metal frame deliver maximum tool durability on the job site. The POWERSTATE™ Brushless Motor allows for the fastest expansions yet runs cooler with no wearable components. The REDLITHIUM™ XC5.0 Extended Capacity Battery provides 20% more power, and 2X more recharges than standard lithium-ion batteries and best-in-class performance in extreme jobsite conditions. REDLINK PLUS™ intelligence ensures optimized performance and protection from overload, overheating, and over-discharge. The Milwaukee M18 FUEL™ 2” ProPEX® Expander also has ONE-KEY™ to wirelessly connect the tool with a smartphone to track and manage. This ProPEX® expansion tool is designed for UPONOR® ProPEX® connections to deliver fast potable water installations from expansion to seal.

The kit includes the Milwaukee M18 FUEL ProPEX Expansion Tool; two M18 lithium-ion batteries; a 30-minute charger; 1-1/4", 1-1/2" and 2" expansion heads; grease; and a carrying case.

Note: All standard Uponor expander heads are compatible with the M12 and M18 tools. Uponor expander heads will not auto-rotate on the Milwaukee tools (only Milwaukee expansion heads will auto-rotate on the M12 and M18). H-heads are not compatible with Milwaukee tools and Milwaukee heads are not compatible with Uponor tools. Milwaukee heads are easily distinguished by color coding and the Milwaukee logo.

Purchase Milwaukee ProPEX expansion tools for use with Uponor systems by contacting Milwaukee at 800.729.3878 or visiting www.milwaukeetool.com/propex.
