Product information and application use

The Stainless-steel Manifold Mounting Bracket is used to mount Uponor Stainless-steel Manifolds. Brackets are made of durable metal and are offset front-to-back and side-to-side for ease of installation. Two brackets are required for each manifold location.

Installation	Related applications
	Radiant Heating and Cooling Systems
Attach the Uponor Stainless-steel Manifold to the mounting bracket. Attach the manifold and bracket	Dermofront Drotaction Cyptoma

Attach the Uponor Stainless-steel Manifold to the mounting bracket. Attach the manifold and bracket assembly to the desired mounting surface. Use only Uponor Stainless-steel Manifolds. For further information, refer to the Uponor Stainless-steel Manifold Installation Guide.
