Technical data

Material Metal
Subcomponent Material 18-gauge SPHC steel

Product information and application use

The Uponor Straight-through Support is used to provide rigid straightthrough support for 1/2" Uponor AquaPEX® tubing as it exits a floor.

Installation Related applications

Slide the support over the tubing to provide protection and improve appearance at a point-of-use valve. Refer to the Uponor AquaPEX Professional Plumbing Installation Guide for additional information.
