Technical data

Material	Metal
Subcomponent Material	16 gauge G90 galvanized steel

Product information and application use

Uponor water meter mounting brackets support Uponor ProPEX® engineered polymer (EP) fittings and lead-free (LF) valves that are connected to 5/8" to 1" water meters with ¾" or 1" ProPEX connections. The brackets allow for the use of isolation materials on fittings or valves. They can support water meters in a vertical or horizontal position from a wall, ceiling or floor position.
