|-----------------------|--|
| Material              | Plastic                                      |
| Subcomponent Material | High-impact polystyrene or chrome-plated ABS |

Product information and application use

The ProPEX® Escutcheon features a flared sleeve and provides an attractive cover for 1/2" Uponor AquaPEX® crosslinked polyethylene (PEX-a) tubing and ProPEX connections as they exit the wall. Escutcheons are available in white or chrome-plated.

| Part name   | Part no. | A [inch] | B [inch] | C [inch] | Prop 65 label required? | Weight per UOM [lbs/UOM] |
|---|----------|----------|----------|----------|-------------------------|--------------------------|
| ProPEX Escutcheon for 1/2" PEX (11/16" O.D.), chrome-plated | F5650500 | 2.5      | 2.5      | 2.279    | -                       | 0.03                     |
| ProPEX Escutcheon for 1/2" PEX (11/16" O.D.), white         | F5670500 | 2.5      | 2.5      | 2.26     | Yes                     | 0.03                     |

| Installation   | Related applications   |
|--|------------------------|
| Slide the escutcheon over the exposed 1/2" Uponor AquaPEX tubing. Mark the proper tubing length. Cut the tubing. Slide the escutcheon back over the tubing and make the ProPEX connection. | PEX-a Plumbing Systems |
