Aadress	Projekti tüüp
Feodosiya Pecherskoho St., Khodosivka, Kyiv-Sviatoshynskyi district, Kyiv region	Uusehitis

Partnerid

The design of the engineering networks was fulfilled by Uponor in cooperation with our partner, Engineering Arsenal. Installation was performed by our partner - "TEPLOSHERE LTD" LLC.

Shopping and office center in Khodosivka is a building located in a convenient location near Kyiv at the intersection of roads leading to the city, in a picturesque sights of the suburbs. Next to the building there is a huge shopping and entertainment center and premium cottage towns. Construction of a shopping and office center in the Khodosivka is made using the Uponor TABS - in Ukraine the implementation of innovative heating and energy saving Uponor systems begins with this facility. The building has five floors. Each floor is equipped with TAB system layer. As an additional source of heating, there are also decorative radiators which are connected to the system according to the Tichelman method with pipes of Ø25, and Ø20 for window slopes.

A water supply system of the building was made with Uponor pipe for the risers.

The first building of a shopping and office center in Ukraine build up with TAB systems.
