Subcomponent Material	SPHC steel

Informations sur le produit et utilisation de l'application

Uponor Metal Drop Ear Bend Supports are designed to provide a rigid, 90-degree bend and connection-free stub out from a stud wall or floor for 3/8" or 1/2" Uponor AquaPEX® tubing.

L'installation

Snap the tubing into the bend support at the beginning of the bend. Continue the bend through the support and snap the tubing into the support at the end of the bend as well. Refer to the Uponor AquaPEX Professional Plumbing Installation Handbook for additional information.
