

**Declaration of Conformity
No. 04/2014**

1. **Manufacturer of the Construction Product:**
CAPRICORN S.A.
58-160 Świebodzice
Ciernie 11
2. **Name of the Construction Product:**
Manifold Actuator NC 24V, M30x1.5
3. **Intended Purpose and Field of Application of the Construction Product:**
Electric actuators of manifold thermoregulation valves, after connecting to a room thermostat, enable control of the room temperature. The actuator is installed on thermoregulation valves on the manifold beam. It is responsible for opening and closing of the heating medium flow in the heating loop.
4. **Technical Specifications:**
Electromagnetic Compatibility Directive (EMC) 2004/108/EC
Low Voltage Directive (LVD) 2006/95/EC
5. **Declared Technical Characteristics of the Construction Product Type:**
IP - 5.4
Closing force of 90N, Protection class II

I declare with full responsibility that the Construction Product is in conformity with the Technical Specifications defined in Section 4.

Świebodzice, 16 May 2014
