

Quality and Reliability for Residential Projects

Delivering higher value for residential projects, the newly redesigned Uponor ProPEX® lead-free (LF) brass ball valves provide superior quality and performance at a competitive cost. These full-port ball valves, available in sizes from ½" to 1", are manufactured from a premium dezincification-resistant brass to ensure a lifetime of trusted reliability that professionals have come to expect from Uponor.

- High-quality, lead-free, dezincification-resistant brass body
- Chrome-plated ball
- Meets IPC, UPC, IRC, and NPCC building codes
- Listed to ASTM F1960 and CSA B137.5 as well as ASTM F877, NSF 14, 61, 359, and 372
- Backed by a five-year warranty
