Certificate
No. 15720-03

Certificate

Kiwa Sertifiointi Oy has granted a product certificate to

Uponor Infra Oy

PO Box 21, FI-15661 NASTOLA
Finland

to certify that Kiwa Sertifiointi Oy has verified that the products of the company manufactured in accordance with the standard EN 12201, certified (IC4019) in accordance with the specific rules for Nordic certification INSTA-CERT SBC EN 12201

PE80 and PE100

at the place of manufacture Industrivägen 11, SE-51332 Fristad, Sweden

fulfil the requirements set in the requirement document **TR322 – Product certification. Suitability of plastic pipes for conveying domestic water in Finland**. The approved raw materials of the pipes are presented in a confidential annex.

The company is entitled to use the certification mark on products fulfilling the requirements. The certificate holder is responsible for ensuring that the service complies with the requirements.

The certificate is issued 2026-11-13
(The original certificate has been issued 2026-06-12.)

Maija Vanttaja, Managing Director

The certificate is based on an initial inspection, and continuous assessment of factory production control. The certificate shall remain valid until further notice provided the requirements set in the General Rules for Product Certification and the above-mentioned product group specific requirement documents are continuously met. The validity of the certificate can be verified on the Internet at www.kiwa.com/fi.
