

Gain Optimal Performance for Commercial Projects

To help meet the stringent demands of commercial plumbing and hydronic distribution projects, Uponor is offering newly redesigned ProPEX® ASTM F1960 lead-free (LF) brass ball valves in sizes from ½" to 2". The full-port ball valves feature a stainless-steel ball and stem for greater durability, longevity, and system performance.

- Meets IPC, UPC, and IRC building codes as well as NSF 14, 61, 359, and 372 listings
- High-quality lead-free brass
- Stainless-steel ball and stem
- Blow-out proof stems
- Stem extension kits up to 2"
- Positive tube stops
- Backed by a five-year warranty

Product offering
