

A Trusted Solution for Hot-Water Plumbing Systems

Designed for professionals that want complete color differentiation to easily distinguish hot-water lines, Uponor AquaPEX Red pipe is now available and ready for your next plumbing installation.

Features

- › PEX-a manufacturing for the greatest flexibility and durability
- › Fewer connections compared to rigid copper and CPVC
- › Kink repairable
- › Resists corrosion, pitting, and scale buildup
- › Expands up to 3X the pipe's diameter; extremely resistant to freeze damage
