Avalon Prime

Uponor feladat

- The PE-Xa flexible pipe system was chosen to organize the water supply system.

Residential complex “Avalon Prime”

The premium residential complex Avalon Prime is filled with essential aesthetics, sense and quality that create a unique atmosphere of comfort. The project is based on a concept that emphasizes the harmony between minimalism and luxury. The architectural idea is inspired by the interplay of light, textures and space. Large panoramic windows, premium materials from leading global manufacturers, and sophisticated interior details create a space where you want to feel every texture.
