From the outside, the Bellevue hotel is minimalistic, boasting sleek designs with white hues. From the inside, the hotel opens to a large and lavishly decorated atrium, exuding a unique airiness and comfort. The soft daylight blends perfectly with the natural tones of the meticulously designed furniture and lighting, making Hotel Bellevue an excellent choice for relaxation and regenerating the energy of life. And if you're looking to combine business with pleasure, there are two small and one large conference hall (360 seats) at your disposal for business lunches.
